Arnold Schwarzenegger

I'd like to make a page covering the many different facets of Arnold Schwarzenegger's life. He popularized bodybuilding and continues to elevate the sport, he starred in multiple block-buster action movies, and served as Governor of California. I plan on treating these different accomplishments as separate pages on a master site, each containing subcategories arranged on a scrolling page. The master site will be more design focused while the accomplishment pages will be more information focused.

- Home page
 - Brief of accomplishments and legacy
- Bodybuilding
 - Early life/finding the gym
 - Mr. Olympia
 - Pumping Iron
 - The Arnold Classic
- Action Superstar
 - Conan the Barbarian
 - The Terminator Franchise
 - Predator Franchise
 - List of other movies
- Political Career
 - Early Political Career
 - Governor of California
